APPLICATIONS

Short term promotional graphics on non-corrugated surfaces, up to 1 year outdoor durability.

POLI-PRINT

Poli-Print 810PCL

- 80 micron, clear, gloss vinyl.
- Permanent, clear, dispersion adhesive.

Poli-Print 900P (Gloss) Poli-Print 905P (Matt)

- 100 micron, white vinyl.
- Permanent, clear, dispersion adhesive.

Poli-Print 920PGW

- 100 micron, white, gloss vinyl.
- Permanent, grey, dispersion adhesive.

Poli-Print 925PGW

- 100micron, white, matt vinyl.
- Permanent, grey, dispersion adhesive.

Poli-Print 946PBW

- 100 micron, white, gloss vinyl.
- Permanent, black, dispersion adhesive.

Poli-Print 930R (Gloss) Poli-Print 935R (Matt)

- 100micron, white vinyl.
- Removable, clear adhesive.

Poli-Print 990RGW

- 100micron, white, gloss vinyl.
- Removable, grey adhesive.

APPLICATIONS

Suitable for short term to mid-term indoor and outdoor advertising with flat or slightly curved surfaces, 3–5 years.

PROMO-PRINT

Promo-Print

- 100 micron, white or clear gloss vinyl.
- Permanent, clear adhesive.

Promo-Print Reflective

- 110 micron, white vinyl with reflective surface.
- Permanent adhesive.

APPLICATIONS

Suitable for indoor & short term outdoor applications.
